A graphic featuring a spiral made of the digits 9 and 6. The word "volume" is written in a bold, black, sans-serif font at the top left. The spiral starts from the center and winds outwards, with the number 7 in the middle. The digits 9 and 6 are arranged to form the spiral's path.

In 1940, the mathematician Edward Kasner published the book "Mathematics and the Imagination", in which he popularized the words googol and googolplex which his nephew suggested as names for big numbers.
