

Googolplex Written Out

Wolfgang H. Nitsche

A graphic featuring a spiral shape formed by the digits 9, 8, 6, and 5. The spiral starts at the top left with the word 'volume' and the digit '9', then winds inward. The digits are arranged in a way that creates a sense of depth and movement. The word 'volume' is written in a bold, sans-serif font at the top left of the spiral. The digits are also in a bold, sans-serif font, matching the word. The spiral is composed of several concentric rings of digits, with the outermost ring being the largest and the innermost being the smallest. The digits are arranged in a way that they follow the curve of the spiral, creating a continuous flow. The overall effect is a dynamic and visually engaging composition.
